Air National Guard

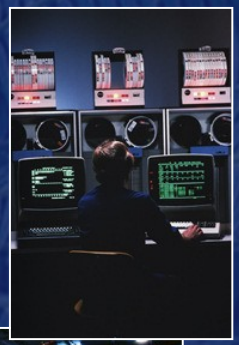
Advanced Distributed Learning

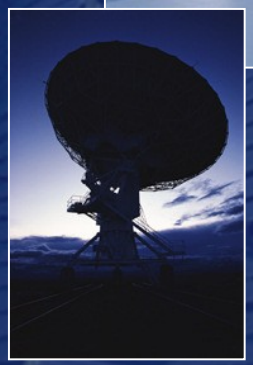
ANG / DPDD

MSgt John Kayko

ANG Warrior Network

- **Three uplink sites (FL / TN / MD)**
- **Over 200 downlink sites at all ANG units and GSUs**
- **USAF, ANG and multi-agency training**
- **Army National Guard now connecting at selected sites (est $4M in savings)**





ANG Training and Education Center
Knoxville, TN

- Satellite NCO Academy (Est 1994)
  - Graduated 1,000th Student this yea
  - Saves $1,357 per student
  - CCAF accredited

- ADL Development/Production Facil
  - First-ever Ancillary Training CD-RO
  - 6 additional CBT courses in develop
  - Co-Developing ADL modules with Ar
    Professional Education Center (PEC)

National Guard Bureau
ADL Strategic/Implementation Plan

- ANG and ARNG
- Concept of Operations
- Funding Strategy
- Business Plan
- Resource Sharing

National Guard / Academic ADL Partnerships

- *State Air/Army National Guard Units are collaborating and forming local partnerships with Universities* **(NE / OK / MO)**

- *Development and sha products both web-bas CDROM*

- *Sharing of classrooms (where practical & feasible)*

ADL Compensation for Guard and Reserve

- Guard & Reserve members should be compensated when performing ADL away from duty stations and drill periods.

- DoD formed multi-service IPT to analyze and make recommendations to SECDEF for all Guard & Reserve

- Panel concluded law must be changed to reflect asynchronous training with regard to compensation. DoD submitted issue to the FY2001 Ominbus cycle for

Talon Station

Mission Powerhouse > Hard & Virtual

Ties together:

> Distributed Learning

> Models and Simulations

> Information Warfare

> Command & Control

>

HQ ANG ADL Lessons Learned

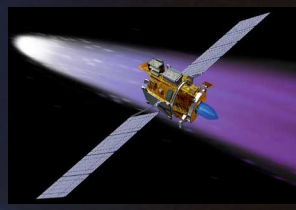
- ***Culture change still needed at <u>all levels</u>***

- ***The Training and Education community should direct the ne requirements for ADL***

- ***The Base Education / Training Managers and our Students are your best***

- ***Get funded or get trampled***

What's the Future?.....



- **Wearable Training Devices**
- **Immediate Access Repositories**
- **Self-Upgrading Neural Networks**
